

BOSTON PRESERVATION ALLIANCE

2019 Preservation Achievement Awards

Each year the Boston Preservation Alliance presents the Preservation Achievement Awards to recognize a group of exemplary historic preservation projects or activities in Boston. The Alliance honors outstanding preservation projects representing all time periods, including 20th century. Projects that will be considered for award recognition include but are not limited to:

- Rehabilitation or restoration that preserves Boston's architectural or cultural heritage
- Adaptive reuse of existing historic resources
- New construction in harmony with Boston's built environment
- Parks, landscapes, and natural areas that have been preserved or restored
- Exterior lighting, accessibility, and landscape design highlighting historic resources
- Innovative energy efficiency and/or climate preparedness integration into historic fabric
- Educational efforts that enhance the public's understanding and appreciation of Boston's historic built environment

The Alliance's Award Selection Committee selects winners based on criteria such as:

- Impact on a neighborhood's character, public realm, and revitalization
- Quality of execution and materials
- Creative or innovative solutions to preservation challenges
- Contribution to the public's understanding and awareness of historic resources, preservation, and the historic character of Boston

Completed nominations are due Friday, March 15

Submission Guidelines

To be considered, all nominations must include the following additional materials:

- A complete list of all project team members, including contact names, companies, addresses, phone numbers, and email addresses.
- A site plan and floor plans, if applicable.
- Print-ready color images of at least a 300 dpi resolution. Images can be mailed on a CD or flash drive or shared via DropBox or similar file-sharing platform. Images must be JPG or PNG files.
- Images must show all facades of the building or structure, as applicable, or all angles of the site. Please provide as many images as possible and divide into “Before” and “After” sections.
- For adaptive reuse/rehabilitation/restoration projects, before and after images are necessary to demonstrate the quality of the project.
- Photographer credits and/or copyright permissions for each photograph.

The Fine Print

- Submissions are due no later than **March 15, 2019**.
- No application fee is required.
- Nominations may be submitted via hard copy or electronically (preferred).
- Submissions are limited to properties and programs within the City of Boston. Projects outside the city limits of Boston will not be considered.
- Projects must have been completed between 2016 and 2018.
- All photo and digital image submissions become the property of the Boston Preservation Alliance for use in print or digital form to promote this Awards event and/or any future Alliance activities.
- Please note that we present the awards to project/property owners. Project team members are also recognized as appropriate and to the greatest extent possible.
